If in later years while turning these pages you will recall the many smiles, accomplishments, and disappointments from the years at Fridley High School, the purpose of this book will be fulfilled.

This yearbook gives you an outline but for the complete story you must resort to your memories of friends and of times past. You will remember the private, cherished things that will make your lives worth living.

We, of the Bengalian staff hope you will be contented and pleased with this book. We have tried to present your school life in terms of smiles and happy memories.

In closing we wish to impart to our classmates our sincerest wishes for a happy and successful future.

Dedication

We, the Bengalian Staff of 1964, dedicate this yearbook to the memories of Fridley High School.

Although we may drift far from our school, the moments of this past year can never be forgotten. We can never entirely leave our alma mater. Fridley High School becomes a part of us, a part of our personality, and a part of our life.

The shifting sands of time can never completely cover the unique moments of our life at Fridley High School.

TO THE BENGALIAN:

The Board of Education of District 14 is dedicated to the philosophy of educational opportunity for all. We continually re-examine our position relative to curriculum, policies and regulations to provide the maximum student advancement. Maturity and mental and physical progress are achieved when it is recognized that discipline is not a means of regimentation, but part of the individual character building and development, whereby the youth of this district learn to channel their energy and desires into useful and productive endeavors.

We are justly proud of the spirit of cooperation shown, and indeed grateful for the interest and participation by the students in the many and varied activities of this dynamic School District.

Sincerely,

"And so, my fellow Americans: ask not what your country will do for you--ask what you can do for your country.

My fellow citizens of the world: ask not what America will do for you, but what together we can do for the freedom of man.

Finally, whether you are citizens of America or of the world, ask of us the same high standards of strength and sacrifice that we shall ask of you. With a good conscience our only sure reward, with history and the final judge of our deeds, let us go forth to lead the land we love, asking His blessing and His help, but knowing that here on earth God's work must truly be our own."

It has been my pleasure this past year to serve as the editor of the Bengalian. I would like to thank each and everyone for their cooperation in helping to make our yearbook a success.

I sincerely hope that the underclassmen, as well as the graduating class of 1964, will receive as much enjoyment from leafing through our yearbook, as each member of our staff has had in preparing it.

We hope that the memories that we have tried to recall in this edition will be of significance to all of you.

Thank You,

"A" Choir

The senior choir continued to improve in both musical sensitivity and musical responsiveness during the school year 1963-1964. The students in the choir worked very diligently in sectional practices, technique classes, individual practice, and regular choir rehearsals to prepare for the many appearances they presented throughout the school year. I can only hope that the choir students were able, through their choral experience, to crystalize a clearer concept of what constitutes good music.

Varsity Football

This year proved to be a big one for the Tigers as they brought forth their best record in the history of the school. The team finished in a third place tie with a 5-3 conference record and a 5-4 record over-all. The offense was led by the splendid triple-threat play of senior, Dick Peterson. Dick, a halfback, set the school record for points scored among other records.

QUARTERBACK PARKS and LARRY MATTHEWS

Quarterback Wayne Parks directed the attack from single-wing T formation. Dick Peterson and Mike Schlins were honored on the all-conference team. Other backfield threats were Dave Johnson and Tony Sworsky. Gary Blomster provided strong line play.

The team's only losses came to Spring Lake Park, perennially a tough team for the Tigers; to conference rivals Osseo and Mahtomedi, who finished one-two in the standings, respectively. Their only other loss came to Orono, a non-conference team which was ranked 17th in the state ratings. Fridley enjoyed victories over St. Francis, Centennial, St. Paul Park, Brooklyn Center, and Forest Lake.

Tiger cagers had their most successful basketball season ever, winning 11 of 19 regular season games. There were many thrills during the year with the most exciting game with arch-rival Spring Lake Park. The team showed much desire and hustle. Leading the team were Dick Peterson, John Dahlsveen, Dennis Otten, all seniors; Don Carlson, Steve Thomas, juniors; and Dave Johnson, sophomore. Dick and John led the team in scoring with Don and Dennis close behind. Special congratulations should go out to co-captains Dick Peterson and John Dahlsveen who were chosen to the All-conference team.

The pictures on this page are those taken during the Fridley-Spring Lake Park game. The team was indeed fighting Tigers from the tip-off (1) to the end of the game (pictures 4 and 5). The final score was 53-47 in favor of the Tigers over the conference champs, Park. The gymnasium was packed to the limit for the important game and the spectators were not disappointed in the outcome. This game could be considered the highlight of the basketball season.

The "B" squad cagers started out slowly but improved vastly as the season progressed. The team finished with a 7 win, 9 lost record. Leading the Sophomore team were Gene Skogland, Jim Griffin, Barry Fritz, Curt Sorum, and Darrel Carlson. Next year these players should add much power to the varsity.

Varsity Wrestling

The wrestling team did a terrific job in the '63-'64 season. Led by senior captain Mike McNair, they rolled to a 9-0 dual meet record. They team also won the Edina Invitational and Skyline Tournament along with a strong second place finish in the district play. In the district tournament seven Tigers qualified for the region play. They were: Bruce Skog, Tony and Terry Sworsky, Mike McNair, Mike Maas, Pat Pentz, and Phil Anstine. Mike Maas finished the season undefeated and every varsity wrestler finished with many more wins than losses. In the region, Mike Maas came through with a third place finish to qualify for state. The entire team can be congratulated for their fine year-long performance with the potential next year to have another great team.

The Dance . . .

"Autumn Fantasy"

"WHAT!?"

"Ooh, what a happy group."

"Why not dance?"

The Mardi Gras, a costume ball, was given for the first time at Fridley High School and was sponsored by the language department. There were two bands and booths featuring a "fish pond," "test your strength," and "fortune telling." The decorations consisted of a mural that took up one entire wall in the cafeteria. On the mural was painted a sidewalk cafe, antique shop, hat shop, apartment building, and a barber shop. The ceiling was decked out with balloons and crepe paper. Later in the evening there was a Grand March. The judges were to pick the best costumes representing Spain, France, Germany and a best general costume. It was great fun and everyone had a good time.

WINNERS

Jim O'Loughlin - general; Pete Mittelsteadt - Germany; Toni Schleuder - France;
Steve Pentz - Spain

Caught in the act!

I wonder what she's really writing.

A true worker!

Another Fail?

Got to make a deadline?

Waiting for the bell.

OUR APOLOGIES TO OUR
LOYAL CUSTODIANS

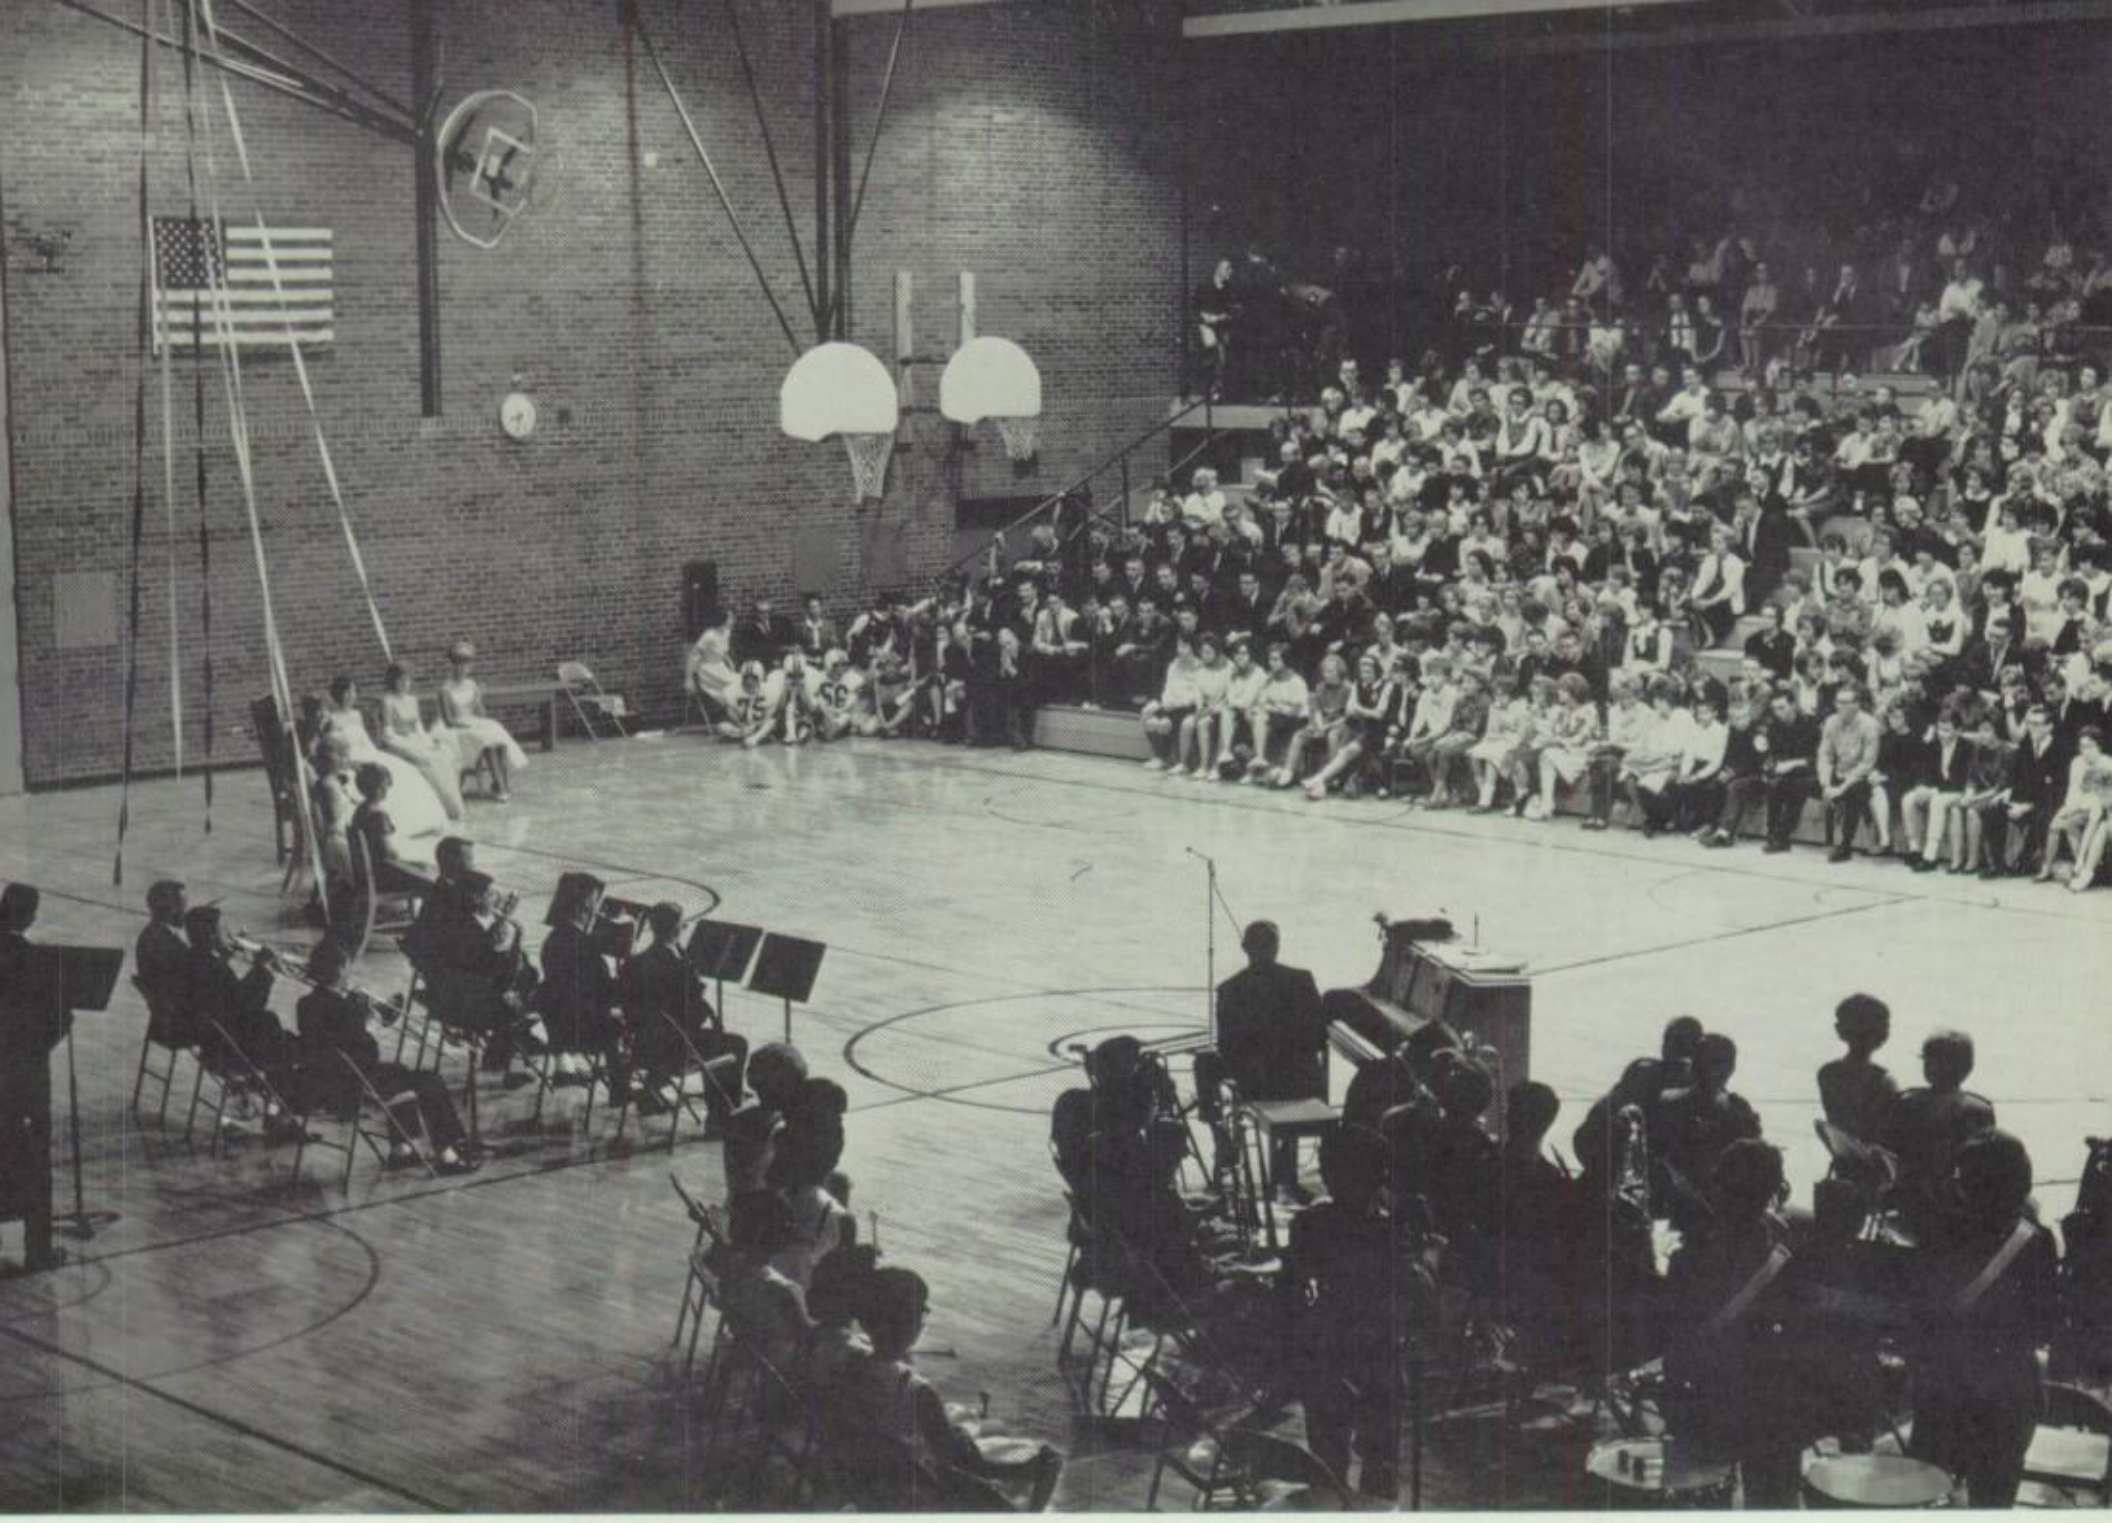
TAKE THEIR PICTURES.

ED AL LLOYD

We assure you David Banks is more organized than our yearbook room. The Staff would like to express its deep thanks for the cooperation and excellent work of the David Banks Studios, and in particular, Mr. Cliff Wilder, who earns our undying gratitude.

The Staff



The Bengalian Staff feels that this poem expresses our feelings at the end of this year:

ETERNITY

Waves rise and fall -
while on the shore
In slower rhythm
flows
All life, that grows
and blooms and dies
And then, in new waves,
grows.
